

Surya Mitra **Course**

A new programme is being launched by the **National Institute of Solar Energy (NISE)**, Govt. of India through which there is a target to develop 50,000 trained youth in the country to be named as **“Surya Mitra”**.

Considering the need of country’s alternate energy source **Ramakrishna Mission-ITI** is going to start a 3 months course **“Solar PV Installer & Service Provider”** from 4th Jan. 2016.

One batch of the same course is already completed in Dec. 2015. You are all welcome for the course.
